It s a wild book that gives the same exhilaration as jumping off a building while drinking coffee. It ll make you feel the beauty that created life itself which is the source connected to all of us in a non-religious and spiritual way. This Renaissance man is a rap artist, a stand-up comedian, a film maker, a business man, a man of many children and wives, an ex-pot head and drug dealer, gangster of Jersey City. Now he s remade himself into a coffee shop and bookstore addict, has written songs, books, scripts, created businesses, designs websites, is a graphic artist, athlete, donates to charity, and much more. He continues his journey of being a Renaissance man and is a student and master of many fields of expertise. His poetry is one of many things he has mastered. You will learn a lot from this book, and maybe you can do what no one has ever done. Understand the psychology of a modern day renaissance man.
