

The Films of the French Foreign Legion

By Philip Leibfried

BEARMANOR MEDIA, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Arguably the most famous fighting organization of all time, the French Foreign Legion's fame is largely due to the motion pictures that used it as a subject. Well over one hundred films have been made since the first two-reelers in 1912. They have been produced in a number of countries, mostly in the United States and France, but also in Europe and as far afield as China and Turkey. The Legion itself saw action in many nations, having its origins in the imperialist nineteenth century. Beginning in Morocco and Algeria, units of the Legion later were sent to Mexico and Vietnam, then known as French Indo-China. Novels and stage plays about the Foreign Legion began to appear in the late nineteenth century, and were followed by motion pictures in the second decade of the twentieth. Eventually, many leading names of the film industry, such as Gary Cooper, Ronald Colman and Marlene Dietrich, would appear in Foreign Legion films in both the silent and sound eras. Cartoon characters like Porky Pig and Bugs Bunny appeared in animated...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
